

Fresh Salsa

Yield: 1 cup

Ingredients:

3 medium tomatoes, seeded and diced small
2-3 green onion, thinly sliced
½ Jalapeno or Serrano pepper, minced
2 tablespoon minced cilantro (optional)
Salt to taste

Directions:

Combine all ingredients in medium bowl and serve.

Note:

Ingredients can be placed in a small blender (the mini pro by Cuisinart is great) and pulsed quickly. This adds some liquid but still leaves the salsa chunky.

Salsa can be stored in a glass container in the refrigerator for 3-4 days.
